Equal Payment/No Interest for 48 Months on Purchases of \$399 or more with your Mohawk Credit Card made between 9/25/17 and 11/4/17. Equal Monthly Payments required for 48 months.

Offer applies to single-receipt qualifying purchases. No interest will be charged on a promo purchase and equal monthly payments are required equal to initial promo purchase amount divided equally by the number of months in the promo period until promo is paid in full. The equal monthly payment will be rounded to the next highest whole dollar and may be higher than the minimum payment that would be required if the purchase was a non-promotional purchase. Regular account terms apply to non-promotional purchases. For new accounts: Purchase APR is 29.99%; Minimum interest charge is \$2. Existing cardholders should see their credit card agreement for their applicable terms. Subject to credit approval. TRANSACTION CODE IS 530

NORTHWEST INDIANA'S FIREPLACE EXPERTS!

DIRECT VENT PREMIUM TAHOE

Premium 36" Traditional Tahoe
Includes a tempered glass view window and a unique burner that delivers a rich flame pattern. Each log is hand painted for stunning realism with detailed bark, knots and charring.

Ceramic Fiber Liner options for Premium models include a traditional Aged Brick with smoky highlights, and an old-world Rustic Brick. Or choose the deep black polished porcelain-steel liner that reflects the flames for a luxurious effect.

The available lighting kit draws attention to the intricate details in the log set and brick liner - even when no fire is burning. You can enhance heat distribution with the optional variable-speed blower. Both the light and blower include dimmer controls.

26,000 BTU. 4 x 6-5/8 top vent only. Includes brick liner, log set and barrier screen. (33541) MFG# DVCP36BP

DIRECT VENT TAHOE 42" DELUXE

Tahoe 42" Deluxe Fireplace
For quality, value, and selection, the White Mountain Hearth collection offers more of everything you're looking for in an attractive direct-vent fireplace. Louvers at top and bottom help circulate the warmed air. All controls are discreetly concealed behind the lower louver. (36801) Also available in 36" model. Includes **FREE Barrier Screen** - \$149 Value! (33446) MFG# DVD42

\$999

BOULEVARD LINEAR FIREPLACES

AVAILABLE BY SPECIAL ORDER
Direct Vent or Vent FREE

Scan Here For Product Demonstration

Scan Here For Product Demonstration

Contemporary or Traditional?
Boulevard Fireplaces are offered in ultra Contemporary and Traditional with a modern twist.

The Contemporary features a linear burner, halogen lighting mounted beneath the burner, and a black porcelain liner. The rich liner reflects the flames and the lighting. Use the remote control to raise or lower the lighting levels and the panels glow red along their edges.

Complete your Traditional Boulevard fireplace with one of two distinct accessory log sets (required). The traditional Charred set features meaty oak logs with rough bark, exposed wood and charring. The Driftwood set is lifted straight from a remote beach with each log worn smooth by wind and waves, and then dried under the hot sun to reveal the rich grain and deep whorls.

Both systems are available in LP (31,500 BTU) and Natural Gas (34,500 BTU).

Beautiful, elegant and efficient... your Boulevard fireplace will add value, ambiance and warmth to your home.

DIRECT VENT FIREPLACE INSERT SYSTEMS

\$1,457

(67100) MFG# DV33IN

Innsbrook Traditional

A Direct-Vent Fireplace Insert turns your existing wood-burning fireplace into an efficient gas-fired heat source.

A wood-burning fireplace sends more than half of its heat up the flue, creating negative pressure in your home, which draws in outside air through gaps in doors and windows that actually makes your home colder. A wood-fire can also create ash and fumes that dirty your home and aggravate your allergies.

\$1,667

(67099) MFG# DV35IN

We offer our traditional Innsbrook Direct-Vent Inserts in two sizes - medium and large - to fit most wood-burning fireplaces. Choose Millivolt ignition with standing pilot to provide heat, even in the absence of electric power, or our Green Earth Preferred Intermittent Pilot, which eliminates the standing pilot to save even more energy. IP systems can operate with a standing pilot during power outages.
