All chicks must be paid in full at time of order. Please provide the best contact phone number for notification of chick arrival. Dates listed above are approximate, but they will arrive that week. Updates on the orders will be provided via email so please provide an email - we do not keep emails or add them to any list. The order is for pullets (females) but please be aware that this is only 90% accurate - a rooster is possible. Gold Sex Links are the only chicks that are guaranteed to be pullets/females. Hatcheries are not able to determine the sex of Silkies or Frizzles so the possibility of a rooster is greater. Please select your Delivery Date preference in the box above.
