CELECT
CELLULAR COMPOSITE SIDING BY ROYAL

ROYAL Building Products
An Axial Corporation

Made to astound and built to last.

Premium siding from Celect® Cellular Composite Siding by Royal® is made from recyclable, state-of-the-art cellular materials. Which means it faithfully reproduces the deep grain texture and solid heft of real wood. And every style is equally unaffected by mold, mildew, weather and the effects of time.

Celect Premium Siding's rich and deep color palette is made with a Kynar Aquatec® coating, which provides superior UV resistance and reflects energy back into the atmosphere. That's why we put a 25-year warranty on the finish. The result is long-term beauty you can see from across the street, from the curb and upon close inspection.

MainStreet™ Double 4" Woodgrain White Vinyl Siding
